Gallery
Attendant

SUMMARY OF QUALIFICATIONS

- Solid foundational knowledge of designing and developing full-stack web applications using .NET framework.
- Recognized by professors for outstanding problem solving skills and demonstrated work ethic.
- A thirst for knowledge and a desire to be constantly challenged.

INDEPENDENT DEVELOPMENT PROJECTS

- **Personal site:** www.homespundev.com
- **U Store:** Created a secure application for managing product data. Application is built to simulate an online storefront with a shopping cart. Administrators have ability to manage product, category, and vendor data.
- **Final Project:** Created a secure data-driven ASP.NET MVC application from design through deployment for managing the tracking and organization of hardware and software within a company. Administrators have the ability to manage employee, department data, and all details relating to assigned hardware and software.
